Topic of 2023:

# KINGDOM LEADER<sup>1</sup>

- *Lead to Multiply*

Leading a *Level 5 Multiplying Church* requires a daring new attitude and a new way of thinking. For leaders to create a culture of multiplication it will mean dramatic shifts in their paradigm of church. They need to go from being a leader to making leaders.

This will require:

- Multiplication Mindset
- Permission Giving
- Disciple Multiplication
- Gift Activation
- Kingdom Building
